

Pahokee High School Band Will Strut In Handsome New Blue And White Uniforms Tonight At Game Between Tabb's St. Theresa's 11 And Frank Hobson's Second Team

THE BELLE GLADE

VOLUME 10—No. 11, Belle Glade, Florida, November 22, 1940

Belle Glade's Slogan: **HER SOIL IS HER FORTUNE**

Recent Operations

By Paul Hardin

"Stunty to me how Thanksgiving always comes on Thursday—the day when a country editor must work home."

Pop Lord of Belle Glade visited the Pahokee Rotary club yesterday and made a short talk about the celery industry in the glades. Pop knows his celery and the boys enjoyed hearing him.

I think D. D. Caudill is about as happy about those new blue uniforms as any member of the band. He should be—he's worked plenty in an effort to assist in raising the money to pay for them.

The Pahokee Rotary club has shown a 25 percent increase in membership under President Thurmond Knight. Thurmond took over the first of July and has really been putting some time to Rotary work. I predict that his year in office will go down in Pahokee Rotary history as an outstanding one.

Vance Denton, high school student member of the Pahokee Rotary club, takes after his daddy and is never at a loss for something interesting to say when called upon by the program chairman.

Pete DeMoyle, Paul Jordan and Inman Weeks have a chest of silver to be given to some lucky person before Christmas. They hope to realize enough profit from their little scheme to pay for remodeling the Boy Scout hut.

"I'll let you in on a little secret. If you haven't better, it might be a good idea to check all the lights on your car. You may have failed soon to explain why all of them won't burn after dark. Don't say I didn't tell you."

A wonder if the average fan knows how much it costs to operate a football team? Well, I'll keep close contact with the Athletic Council and still I was amazed the other day when I read the cost of new equipment bought for the boys this year. And that sort of equipment costs money.

I wonder if any pastor in Pahokee, Canal Point or Belle Glade has ever been called upon to perform a wedding service next Thursday morning.

Glades stores and business houses plan to observe Thanksgiving next Thursday. This office will be closed and members of the force will celebrate the day in a fitting manner.

Thanksgiving

Thirty-two states of the union, Thursday, celebrated, national Thanksgiving day, under President Franklin Roosevelt's proclamation. The 16 other states will celebrate the 25th, as their Thanksgiving date under proclamations from the state governors. Florida being one of the latter. Pahokee and Canal Point churches will not have special services on next Thursday, but will observe the celebration in their midweek prayer meeting services.

Little Blue Devils Lose To Lake Worth

The Pahokee "B" football team played Lake Worth at that place. Tuesday night, and came home defeated by a score of 13-0. It was a tight game and was the first of the fourth quarter, when some luck came the Trojan's way.

Resulting in a two touch-downs. The Pahokee athletic council has purchased 11 complete football outfits for the Junior High School and has had them issued to the respective players. Other equipment has been turned over to the minor team for use.

4-H Cooking Wins

Early Frost Kills Small Percentage Of Tender Crops

Sand Cut and Port Mayaca Hardest Hit Over Week End

One of the earliest killing frosts known to the Everglades winter vegetable growing area, was recorded on Saturday and Sunday nights, snipping and killing around 25 percent of the bean crop, 25 percent of the Belle Glade potato crop, and doing some damage to the heart of the cabbage crop.

Growers were uncertain as to the extent of the loss until Wednesday, when inspection of the fields showed that the frost was but a light one, of a spongy nature, and that a large percentage of the most severe frost damage was greater, but only of the withering type, a light frost.

The radio broadcast of cold weathering on Friday, caused growers to send big crews of pickers into the field salvage crops, and make some packing houses. Several farmers are reported to have pulled their beans and placed them in bins and protected the latter, having workers strip the beans from the vines later. Some beans were lost due to the frost.

Prices on Saturday had shown a small increase in the New York markets, but fell back again on the Sunday holiday.

There are still plenty of unharmed beans in the west section around South Bay and Lake Worth. Some growers, especially in the Sand Cut, Port Mayaca and the territory between the Belle Glade and Palm Beach canal road, were harder hit than in those sections west and south of them.

Surveys show that damage in the Belle Glade section hit beans hard, causing around a 25 percent loss, while over in the west section around South Bay and Lake Worth, the loss was not so heavy. The Wedgworths were pretty hard hit on losses in its 400 acres planted to potatoes. It is estimated that replanting was not possible owing to the lateness of the season.

Expected jump in prices for beans did not develop during the week, as bean prices ranged from 70c to \$1.25 the bushel, but it is expected some increase may be recorded the coming week.

Shipments by rail for the past week showed a decline of around 50 cars, as not more than 150 cars rolled out over the Florida East Coast line. The loss was not so heavy as the previous week.

Trailer Space Open At Camp

So great has been the demand for space at Camp Oceola, that a special section has been set off for the accommodation of those who may come with trailer outfits. A dozen or more trailers have been located and converted into a modern hospital unit. Workers are now busy on making these conversions.

Coach Hobson with the members of the Pahokee high school football team, were guests of the Orange Bowl management, at Monday, Saturday night, and witnessed the Florida-Miami football game at Burtine stadium.

Blue Devils See Florida-Miami Tilt

Coach Hobson with the members of the Pahokee high school football team, were guests of the Orange Bowl management, at Monday, Saturday night, and witnessed the Florida-Miami football game at Burtine stadium.

OKEECHOBEE GETS HOSPITAL

Dr. L. W. Martin, who conducts the Okeechobee hospital, has recently purchased from the D. R. McNeil estate, the former Bank of Okeechobee building and will convert it into a modern hospital unit. Workers are now busy on making these conversions.

Free Film Show

A free motion picture show will be given at the New Prince Theatre on Sunday afternoon from 1:00 until 2:30 o'clock, at which time films will be shown outlining the work done by the Harry-Anna Crippled Children's home at Umatilla.

Edwin Baker, an official of the home, will be in charge of the presentation and a cordial invitation is extended to Glades residents to attend the showing. There is no admission. The home is maintained by Elks lodge throughout the state and is doing a worthy work for dozens and dozens of crippled youngsters who otherwise would have no medical attention.

One Killed; Others Injured Sunday In Automobile Wreck

Emory Dowling of Canal Point Killed Instantly In Smash

An early Sunday evening motor accident occurred north of Canal Point, resulting in the death of Emory Dowling, a well known resident of Canal Point, the critical injury of J. P. Goyer and superficial injuries to Mrs. Emma Goyer, both of Port Mayaca.

Robert Kelly, another occupant of the car, escaped injury, as he was thrown free from the car wreckage.

The injured persons were taken to the Memorial hospital where Goyer was found to have sustained head and internal injuries, and it was not until Wednesday that he partially regained consciousness.

Hopes are now entertained for his recovery. Dowling was given hospitalization and was removed to his home at Port Mayaca on Tuesday.

Constable Albert Grant was summoned and made investigation of the wreck, and states from his investigation it appears that Dowling was driving on the wrong side of the road, and that fact led to his own death.

Funeral services were held at the First Baptist church in Canal Point, Wednesday afternoon, in charge of the Rev. Altman. Undertakers were Willis Hall, Kenneth McClure, Duval McCallister, E. C. Cowart, R. B. Stokes and E. D. Lainsley. Burial was made at the Port Mayaca cemetery by the Everglades Funeral home.

BUS CATTLE LAND

George Whitworth, who presides in Glades, Henry and other west coast counties, is going to have the cattle raising business, having purchased 23,000 acres of land over in the Devil Garden section of Henry county from the Florida Land and Timber company. J. C. Jackson has also purchased from the same company in the same locality 2,000 acres for similar use and development.

POT LUCK SUPPER

Members of the American Legion Auxiliary will meet in Legion hall in Pahokee on Monday night, November 25. After the business meeting, members of the Auxiliary will serve a pot luck supper. All members are urged to attend.

Draft Board Puts Registrants In To The Proper Groups

Very Few To Be Called For Service In Immediate Future

The Selective Service commission at its office in Belle Glade has already classified around 200 of the registrants who have returned their questionnaire blanks to the board, which is about one half of the number notified.

The men are classified into four groups: Class A, those who have no dependents and are subject to military service; I-B, those who may have some minor disqualifications which may be easily corrected; Class B, those who may be found ineligible for specific reasons; and Class C, those who are not likely to be called, or who are not subject on account of recent military service, or those who may have criminal records against them.

The board as yet has made no definite call to any enrollee for selective service, and there will not be many at this time from this area, as the Florida quota is very low. Those in the dependent class will not be called to service at this time, unless such enrollees have rights, and has definite desire to enter the national defense, for his year's training is camp, at this time.

National calls for enlisted enrollees to service from the various states was issued from Washington, Wednesday. From the Glades district three white men and four negroes will go into service under this call.

Chairman John Dulany states that when the questionnaires come into the board for classification, that board members do not know the name of the party and he is passed upon for fitness from the information contained in the blank.

Dr. Simmons, of Belle Glade, has been appointed physician for the Belle Glade board.

Peacock Receives Mention By Eddie Brietz

Eddie Brietz, who syndicates a sports comment column, carried by hundreds of daily papers through the land, and who has been commenting on outstanding players of high school teams, on Monday night, had this comment on a Pahokee Blue Devil player: "Pahokee (Fla.) High has a Peacock in its back field, and can strut 117 points to zero."

Following the Stuart game, in which Peacock had rolled his point record to the indicated figure, 17, Lemmon Sims, of Canal Point, sent the notice to Brietz, with the above results.

Pahokee is boasting its able and agile quarter back for conference honors, and if he can keep up his record for the coming season, West Palm Beach games yet to be played he is sure to secure some recognition along that line.

GET NEW CONTRACT

The Beach-Construct Co. company, which has built numerous roads in the Glades section, has been granted a 10-mile contract for the Lake Worth-Ojus, at a price of \$115,881.00.

Wildcat Member Is Improving

"Bill" McMaster, one of the Palm Beach Wildcat squad, who some weeks ago sustained a head injury, has returned from the Jacksonville, hospital, where he underwent a serious brain operation, and seems to be on the road to complete recovery.

Barfield, of the Pahokee News, fills the place of a foster father to this lad, and is much rejoiced over his recovery. Bill is an outstanding athlete, a crack rifle shot, and most popular lad among his companions. Bill greatly regrets that he will be unable to get out into the Glades for a hunting trip with "Uncle" Charlie.

Boe Resigns Warden's Job

Hugo Boe, who has been connected with the Everglades Fire Control District for several years, has resigned that position, and is now field boss and paymaster for the P. M. C. station, and Mr. Boe has been a competent and efficient official in the fire control work. It was with much regret that Chief William Stafford recently accepted his resignation.

Elks Consider A Lodge For Glades

A group of Elks from the lodges at Lake Worth and West Palm Beach, gathered at the Pahokee Woman's club, Sunday morning, where they enjoyed a dinner served by a committee from that group.

The object of the gathering was for the purpose of discussing the advisability and plans for the organization of a lodge in the Glades region, as there are a number of men residing here who hold Elks degrees, and who are now in town lodges.

Considerable encouragement was expressed as to the possibility of a lodge in the Glades, but definite action was not taken at that time. J. Seneca, of the Glades district, was present and presided over the informal session.

Nimrod's Take Off To Big Cypress

The deer and turkey hunting season opened Wednesday morning, and as a result there was an exodus the first of the week of nimrods from Canal Point, Lake Worth and Belle Glade to their favorite hunting spots in the Big Cypress swamps and other game lands.

Those who took their guns and dogs for this important sports season opened Wednesday morning, Dr. Douthit, Raymond Christian, E. Elliott, Leo Maxwell, David Cunningham, Wiley Tills, Spide Lindrow, Dr. Spooner, Ed Spooner, Thaddeus Williams, Frank Brewster, Frank Bass, C. C. Hull, J. C. Mock, Carey Tabb, Louis Gold, H. M. McIntosh, Arthur Wells, John Hay, and Belle Glade to their favorite hunting spots in the Big Cypress swamps and other game lands.

FINAL APPEAL COMMISSION

A commission, which will act as the final board of appeal for selective service enrollees, has been named by the Government for the Fourth Congressional District of Florida, which includes Palm Beach county. Its membership is composed of the following members: Labor, Walter Hoy; Miami, Industry, McGregor Smith; Miami, Medical, Dr. E. H. Adkins; Miami, Beach, Legal, H. E. Williams; West Palm Beach, Agriculture, Luther L. Chandler; Glades, ...

Paul Rardin . . . Publisher

Do your Christmas shopping early!

Two Thanksgiving days! With so much to be thankful for, Americans need two.

Have you bought your ticket to the game tonight? Remember the money goes into the band uniform fund.

Willkie couldn't get to Florida during his recent campaign. Evidently he thinks it a better place to seek rest than votes.

A frost doesn't slacken the pace of Glades vegetable growers. If the weather cuts down a crop—the very next day the planter will be busy putting in another.

The first frost of the 1940-41 vegetable season struck over the week end. Sand and Port Mayaca vegetable sections were hardest hit. Other areas escaped with slight damage.

Thirty-five young musicians under the leadership of Director Robert Lampi will

parade onto Lair field at eight o'clock tonight—all dolled up in swanky new uniforms. Be there to see them. It will be their first appearance in their new outfits.

The celery industry—almost new to the Lake Region—seems to be getting away to a fair start again this season. Growers of the luscious vegetable are enthusiastic over the outlook for a profitable season.

The foot ball game tonight between Hobson's "B" team and Doss Tabb's St. Theresa eleven of Coral Gables is going to be an event in the life of young Mr. Tabb. Doss played with the Blue Devils under Coach Hobson and during the past four years has been attending Miami University, this year coaching the Coral Gables squad. It would do Doss a heap of good tonight if his youngsters should hand the Little Blue Devils a trimming.

Bean growers are still hoping for a raise in prices that will make picking profitable. One grower reported picking, packing and shipping several carloads of beans over a ten-day period only to find at the end of that time that his bean account was less by \$3,000.00 than when he started.

One-eyed jalopies, cars without tail lights, cars driven by folks who don't have driver's permits and various and sundry other kinds of junk cars clutter up the highways here in the Lake Region. Something should be done about it. And, no doubt, something will be done about it within the next few days.

will be a house in every block of the subdivision.

Delray Defeated By Pahokee 6

An interesting foot ball game was played at Lair field, Monday afternoon between the senior teams of Pahokee and Delray. Pahokee won by a score of 6 to 0. The visiting team was much heavier than the local one, but Pahokee, had the call when it came to playing the game according to the rules.

Albert Erikson, who has farmed a mile north of town, has built lots 29 and 30 in block 11 of the Pioneer Investment Company subdivision of the Canal Point townsite and will erect a new house that will cost between \$4,000 and \$5,000 and is the best on the north side of the canal. When it is completed there

Eastern Star Has Anniversary Party

At the interest meeting of Eastern Star, the eleven anniversary of the instituting of the chapter was observed in a becoming manner. Mrs. Madge Taylor presided at an interesting history of the chapter. A large birthday cake was cut by Mr. and Mrs. Arthur Wells and Mrs. Arnold Kirchman.

Announcement was made that the Chapter would hold a public memorial service at the Masonic hall on November 24th, at 7 o'clock, to which the public is invited.

The Most Worthy Grand Master, Louis Dalton and his staff, will make official visitation to the local chapter on the evening of November 20th, which will be featured by a Thanksgiving program.

District Meet Of Club Women

A district convention of Section 1 of the Women's club of Florida, was held at Delray, Wednesday, which was attended by more than 200 members of the clubs which included Belle Glade and Pahokee.

The guests of honor were Mrs. Thelma Roberts of Jacksonville, state president, and Mrs. John L. Gray, state treasurer, and many of the chairmen of the state committees. Mrs. Roberts gave two addresses, one on "Progress of Women Since the 19th Century" and "Preparedness for Women for Club Work."

A CAMERA
Prior to her leaving for Chicago to attend the National Stock show, one of Palm Beach county's delegation, from the 4-11 Girls club, the Demonstration club of South Bay, extended Miss Lucille Barnes a going-away shower.

Miss Barnes carried a fine camera with her at the gift of the junior and senior clubs.

ATEND MEETING

Mrs. Earl Smith, Mrs. Henry Brooker and Mrs. C. A. Bailey of the Pahokee Women's club were the attendees at the district club group meeting at Delray Wednesday.

LEGION TO HOLD SHOOT

The Pahokee Legion post will hold its annual turkey shoot next Tuesday, November 26th. Again this year the Legion group will have dozens of turkeys for those who prove themselves to be expert shots.

Here's

An American Flag Set

The flag is well made, durable, fine quality (measures 6'9" X 36") with seven stripes and printed stars, with strong aqueduct, 6" pole, ornamented with a gift ball top. The halyard is 11'3" long and a silver metal window bracket makes it easy to attach your flag to your porch or window sill.

NOTICE OF APPLICATION FOR TAX DEED
(Senate Bill No. 163)

NOTICE IS HEREBY GIVEN, That J. O. Butler, holder of Tax Certificate No. 306, issued the 2nd day of August, 1937, has filed some in my office and has made application for a tax deed to be issued thereon. Said certificate embraces the following described property in the County of Palm Beach, State of Florida, to-wit:

Tracts 1 & 10 of 1st of Belle Glade, Glades, Belle Glade, Fla., as in 1915 P. 44 being a subdivision of Lot 5, Block 6, Township 41 and 41 South, Range 31 East, 4 West.

The assessment of the said property under the said certificate issued was in the name of N. N. Starling. The said Starling and certificate shall be deemed according to the provisions of the said certificate to be sold to the public on the first Monday in the month of December, 1940, at 10 o'clock of the day of December, 1940, at the County Clerk's Office, Palm Beach County, Florida.

GEORGE BUTLER,
Clerk of Circuit Court of Palm Beach County, Florida.
Subscribed, Oct. 23-Nov. 14-15 & 22.

Complex Problems Face Holland When He Takes New Job

State Road Dept. & School Salary Fund To Be Short

TALLAHASSEE, Nov. 21.—No governor since Drew took office from the carpet-bagger has faced more serious and so many complex problems than will Governor-elect Sheppard Holland on January 7.

Chapman Perkins of the department has announced overlapping obligations of approximately \$4,000,000 by December 31. The state school teachers' salary fund now is \$1,300,000 behind on the payment due October 15; their is little chance that this deficit will be reduced before January 1. The general fund, from which is supported all state institutions now is in the red for more than \$1,000,000.

Probability (and virtual probability) of repeal of the one-half percent gross receipts tax in the next session of the legislature will cut more than \$2,000,000 annually from county schools.

In addition to these major financial problems, there are many smaller but equally irritating ones—employment, for instance.

Culling out of the National Guard, the calling to duty of army and navy reservists, and the draft may deprive the incoming government of services of some very valuable men. World War complexities and economic unrest must inevitably be faced by the new governor and the legislature.

Holland will need—and unquestionably will receive—all the sympathy and aid of his constituents to procure. Until he has an opportunity to produce results, partisan politics in Florida should be adjourned. The future is fraught with too many problems affecting the lives of all Floridians to do anything to hamper the new administration so long as it honestly and manfully, with the assistance of the legislature, tries to solve the state's problems.

Florida's governor-elect carefully stayed away from any semblance of selecting the side-deck camp and the executives that will make up the strong men of his administration until after the general election. Reason for that, he hadn't actually been elected governor of Florida until Tuesday.

Naturally, as the governor-elect progressed through his campaign he tentatively made selection of prospects for key posts, but gave no intimation of identity. Now, however, with the general election in the background, the conference between Holland and his advisers will center for the next few weeks upon the appointments he will make after first of the year.

The Belle Glade "T" A cleared \$100 for school purposes from its Halloween carnival.

DRIVER LICENSES

SUSPENDED
Pahokee police are picking up traffic offenders, and three such were before Mayor Dulany, Monday night, all colored. The trio were each fined \$25 and costs, and their driving licenses suspended. Similar fines will be handed out to other offenders, if they don't quit speeding and driving cars while intoxicated.

SHIFT IN SCHOOL ASSIGNMENTS

Owing to crowded conditions in the South Bay schools, Principal Johnwick, found it necessary to

make a reassignment of teacher duties resulting in teachers changing their grade work. No new teachers were required in the shift but did equalize the number of pupils under any one teacher.

DR. IRBY NOW IN PAHOKEE

Dr. Irby, formerly with the Darden pharmacy at Belle Glade, and for the past year located at Frostproof, has opened a drug and sundry store in colored town. Mrs. Irby will remain in Frostproof as manager of the store there. Doc's many Glades friends will again welcome him back to this section.

DONATION WAS \$10.00

Harry Waldschlager, manager of the Blackmon store in Pahokee, who is always one of the first to make a donation to any civic movement, donated \$10.00 to the band uniform fund recently. When the list of donors was turned over to this newspaper for publication, the amount opposite his name was \$10.00. It should have been \$10 and \$10.00 it's today.

PUSHING WORK ON ROAD 26

Contractors working on the toppling of Route 26, have pushed their work northward from Twenty mile bend to a point about six miles south of Okeechobee. It is reported that orders have been issued that the improvement must be completed by January 1st, but what date the road will be opened to public traffic has not yet been announced.

TAYLOR TO RETIRE

W. M. Taylor, present State Hotel Commissioner, who visited Pahokee last year in promoting a hotel project for Pahokee, plans to retire to private work at the conclusion of the Cane administration. Whether he will endeavor to revive the Pahokee hotel project is yet unknown.

SEMINOLE FIELD DAY

The fourth annual Seminole Indian field day was held at the Brighton reservation, Wednesday, and was attended by a large number of white visitors. Addresses were made by a number of prominent men including Dwight Dillard, Indian commissioner for this section. Those interested had a view of the reservation cattle and range, and in the afternoon witnessed the field day sports.

PASTOR PRESENTS RESIGNATION

Rev. Frederick Graef, pastor of the Redeemer Lutheran church at West Palm Beach, has resigned that pastorate to go to Pascagoula, Miss., where he has accepted a new congregational assignment. Rev. Graef also served the Belle Glade church as its pastor for the past two years, where he was held in high esteem by his congregation.

NEW LABORATORY BUILDING

The U. S. Sugar Corporation is planning on adding annex to its laboratory at West Palm Beach, to be used as a Soil Testing unit, which will be under the direction of Dr. Bourne, its scientific head. This is a new unit to the company's already busy laboratory.

CLEWISTON HAS BIG BUILDING RECORD

Clewiston, the seat of U. S. Sugar Corporation activities, as far this year has made an unprecedented building record, as within the corporate limits, more than \$300,000 of buildings in homes and business blocks has been recorded. The corporation has added another \$100,000 to this figure on improvements it has made or now has in progress at the sugar mill plant.

VISITS IN CANAL POINT

Miss Elsie Gula of Carbon Hill, Ala., and Ray Sparks of West Palm Beach were recent guests of Miss Vivian Hinesley of Canal Point. Miss Hinesley's home is on Carbo Hill and she is in Canal Point assisting her sister, Mrs. H. L. Lapp and Mr. Lapp, their country store and restaurant.

VISITS IN PAHOKEE

Fred McCormick of Myrtle Beach, S. C., is spending a couple of weeks with friends in the Pahokee area.

METHODIST DISTRICT CONFERENCE

The semi-annual session of the West Palm Beach District conference of the United Methodist church is to be held at Ft. Pierce, on December 12th, with Rev. Joe Toole as the welcoming pastor. Delegations from the lake region churches will attend this important church function.

MONUMENT UNVEILED

"The annual convention of the daughters of the Confederacy was held at the historic old southern capital city of Montgomery, Ala., this week. One of the features was the unveiling of the monument to Jefferson Davis, Confederate commander and president, placed on the Capitol lawn by the Daughters. The address of the occasion was given by President Francis P. Gaines, of the Washington and Lee University of Lexington, Va.

OPEN HOUSE FUNCTION

Governor-elect Spessard Holland of Barrow, desires that all functions in connection with his inauguration next January, be democratic, so there will be no invitations or presentation cards required at the functions. He wants these functions to be "open house" occasions, free to all who may desire to participate.

PRESENTED WITH BIBLE

The church and Bible school officials of the Pahokee Methodist church, last Thursday afternoon and evening, held open house for the parents of the children enrolled in the school. Many of the parents attended and enjoyed the program of the evening. Mrs. Jesse Elliott, department superintendent, presented the Beginner's division a fine Bible, as that department had the largest attendance present.

SPECIAL MASONIC PROGRAM

Frank Kelley, the new worshipful master of Belle Glade Masonic lodge, states that a special program has been arranged for the initial session of the lodge on next Tuesday night, November 26th, at the city hall auditorium. Mr. Kelley states that it is expected that several grand lodge officers will grace the occasion by their presence, as well as visitors from lodges of the 22nd Masonic district, Moore Haven and Ft. Myers.

SHARELOFT RESIGNS

Dr. W. L. Sackett of West Palm Beach, who has many friends in the Glades section, has resigned the superintendency of the Good Samaritan hospital of which he has been the head for a number of years. He will retire on February 1st, to re-engage in his private practice.

MISS ELAM AT BESSIE TIFT

Miss Frances Elam of Canal Point, Florida, is one of a group of girls who are attending the Tift College, Forsyth, Ga. Miss Elam is a member of the freshman class, the Home Economics club and the Y. W. A. She has also accepted a bid to Delta Chi Omega club.

Miss Elam is proud of the gold loving cup she was awarded for being the Florida girl who won the contest of Winter Garden, Florida as chairman, for the largest percentage of increase from last year in enrollment.

INCREASES CATTLE RANGE

Report in and about Belle Glade is that Roscoe Braddock, the pioneer cattle man of the Glades, has leased two sections of land from the state, located east of Belle Glade, which he will develop into an outstanding cattle range. He expects to use 160 acres of the land this season for his cattle grazing and will increase it as he may need it. He will transfer a portion of his Bitta Island range activities to the new site this season.

The Soil Conservation Division of the Government is co-operating with Mr. Braddock and J. E. Beardsley in establishing ranges. The Beardsley range will be located in the Lake Hippocree region.

ENTERTAINS STARS

Rita Sherman Chapter, Order of Eastern Star, entertained delegations from the other chapters of the district at the West Palm Beach Masonic temple, Tuesday night, at a "Friendship" gathering. A special degree team exemplified the work of the chapter, in which Mrs. Jack Barrett and Mrs. Joe Cherry of Pahokee chapter had parts. Mr. and Mrs. Jack Barrett, Mrs. Dalton and Mrs. D. D. Taylor were among those present.

CALL SCHOOL CONFERENCE

State Superintendent of Public Instruction Cullin English has issued a call for a district meeting to be held at West Palm Beach on December 4th, to which he invites county school superintendents, members of the school boards, school trustees and principals.

ELECT NEW OFFICERS

New officers elected for the Belle Glade Community club house, are Mrs. H. H. Holloman, chairman and Mrs. F. D. Stevens, secretary-treasurer. Mesdames Vanhook, Beck and Stephens, ladies committee. Mesdames Fiedel, Scullen and Bratley, yard committee. The association plans to make improvements on the clubhouse.

FOOT BALL GOSPEL

Pahokee Junior six man football team traveled to Jupiter, Wednesday, where they were defeated by a score of 25 to 14. The Pahokee team was made up of L. Satchelor, C. Wilkinson, T. McQuair, J. Tidwell, L. Jenkins, C. Blair, J. Danson, J. Gifford and B. Hill.

A small audience saw a good game of foot ball at Lure field, Friday afternoon, where the "T" team from West Palm Beach and Pahokee staged a contest. The game ended in a 13-15 tie.

TEAM UNDER HARD DRILL

Although the team has no scheduled game until next Wednesday night, November 27th, coach Holson has had the Blue Devil squad under heavy training all this week. The coaches and team are all primed for that Lake Worth game.

GETTING DOG TAGS

City Clerk W. P. Walker of Pahokee states that dog owners are beginning to receive notices for dog tags. The notices are being mailed to the owner with tags attached the mailman is likely to be placed on and returned. The notices are sent to the owner.

NEW GOLF COURSE

The West Palm Beach Herald's Golf course is being built on a 100-acre tract near the city. The course is being built by L. C. Squire, a member of Greenough, who is now making it a golf course. By deciding it to the county it becomes tax free. The league intends to improve the property, including a club house, and the Junior World Life League will establish a camp site on the lands. The reservation will be stocked with wild life for future use.

WEST PALM BEACH BELLE GLADE

P.-T. A. In Canal Point Met Monday

The Canal Point Parent Teachers' Association held its regular meeting at the school auditorium Monday night at 7:30.

Rev. M. O. Shawson, who represented the association at the district P.-T. A. meeting held at Miami, Nov. 12th and 13th, gave a review of the session and reported in an interesting manner.

Mrs. J. H. Bordeaux and Mrs. Albert Fremd who were elected president and vice-president following the resignation of Mrs. G. H. Tucker, were given a unanimous vote of confidence by the organization.

Following the business session the program committee presented a sound picture, "To The Ladies," produced by Milwaukee Paper company depicting the uses of lace paper.

Willie Hartman from Lima, Peru, and a graduate of Cornell University, who is here studying sugar cane, drew comparisons of his country with the United States in an interesting talk.

OCALA DEER HUNTING

Conservation officers announce that the deer hunting season in the Ocala game reserve is now on, and hunters can secure their permits for \$2.00. Commission reports there is a much increased crop of deer.

Contracts Are Let For Air Field

Announcement has been made from Washington, that contracts have been awarded to two Palm Beach firms for the construction work at Morrison field, which amounts to \$1,511,370.00. Watt and Sinclair and McCleary Brothers expect to begin work on the expansion project within the next three weeks.

Included in the contracts are: 14 Administration buildings, concrete aprons, 53 enlisted men barracks, 14 day rooms, fire station, two school houses, hospital, storage gas tanks, infirmary, mess house for 1,200 enrollees, 12 enlisted men mess halls, two officers' mess houses, six post office magazines, post exchange, eight officers' quarters, motor repair shop, radio installation shop, two radio broadcasting stations, control tower, 14 supply warehouses, telephone building and exchange, a 400 capacity theatre, light plant and numerous other buildings.

Negroes Killed When Cars Collide

Two passenger automobiles, driven by Perry Brown and Dave Johnson, colored, came together in a head on collision, just west of Vinegar bend near Belle Glade, Saturday afternoon, around 4 o'clock.

Both Brown and Johnson were killed outright with broken necks while Mary Brown, wife of one of the men was most seriously injured with head wounds. E. Small, Arthur Love, A. W. Jones and L. C. Marsh, other occupants of the cars sustained injuries. Both cars were demolished.

NEW RACING SECRETARY

F. M. Cone, of Gainesville, recently named to a position on the State Racing Commission, has been made secretary of the commission at a salary of \$4,500 a year.

CAR BURST

Roy Stamford, colored employee of the Sugar company at Aqueduct, suffered the loss of his automobile last Monday, which was consumed by fire, caused by a defective wiring system.

GOOD FISHING AT LOCKS

Fishing has been good the past week at the Canal Point locks. Some white perch and bluegill and bream were landed on Monday by those fishing there.

Garden Club Hears J. R. Neller In Talk

The Community Garden club met at the home of Mrs. A. Hansen on Bacon Point Road, Nov. 19th, 3 p. m., with Mrs. Hansen presiding.

The time of meeting for Dec. Jan. Feb., was advanced to 2:30. The club voted to furnish seed and necessary supplies to the two Junior Garden clubs which have been organized by Mrs. W. P. Jernigan in Canal Point and Mrs. V. C. Denton in Pahokee.

Chairman of Plant Nomenclature, Mrs. Julia Banett, brought three plants to the club for identification.

The subject of study for the month was "acid and alkali soils of the 6th district," which was handled quite an interesting manner by J. R. Neller, Biochemist at the Everglades Experiment Station.

At the annual class of the business session, tea was served by Mrs. Hansen, Mrs. G. C. McElroy, Mesdames Julia Banett, C. G. Cohen, J. E. Cohen, V. C. Denton, T. M. Dechman, A. F. Fremd, W. P. Jernigan, O. B. McClure, Seth Roberts, H. L. Speer, D. C. Thompson, G. V. Hudson, M. P. George, A. Chastain, A. L. Pope and guest, Mrs. J. V. Chastain.

Basket Ball Plans Made For Season

Pahokee High school athletes will start in training for basketball, immediately following the West Palm Beach game, which will give them about a month in which to get in trim for the opening games in early January.

Contracts have been sent out to the following schools for the tentative schedule, which is as follows:

Tuesday, January 7, Stuart, here; January 14, Ft. Pierce, here; January 17, Delray, there; January 21, Daytona, here; January 24, Lake Worth, there; January 28, West Palm Beach, here; January 31, Ft. Lauderdale, there; February 4, Stuart, there; February 7, Ft. Pierce, here; February 14, Delray, here; February 18, Daytona, there; February 21, Lake Worth, here; February 25, Palm Beach, there; February 28, Ft. Lauderdale, here.

TO VALIDATE BONDS

Application was made in Circuit court at West Palm Beach Wednesday, by the County Board of Public Safety, for the validation of the \$600,000 and \$70,000 school improvement bonds, recently voted by the free holders of Districts No. 1 and 4.

NEW CLUB SECRETARY

Mrs. G. F. Kincaid is the new secretary of the Pahokee Home Demonstration club. This club has been organized by Mrs. Ramey, has planned an active year's work.

Pahokee High School—

(continued from page 1)
talent and perfect a band that will uphold the standard of the schools of the Everglades."

Cooperation wasn't received from all the suggested organization but the groups in Pahokee and Canal Point did get actively behind the project and tonight's presentation will prove to you what an excellent job was done.

To the county school board goes a great deal of praise for the splendid co-operation offered in the way of placing a man on the teaching staff in Pahokee who is capable of directing an outstanding band.

Tonight when the band struts onto Laif field, please remember that it has cost a lot of headaches

and an ungodly amount of time and a great deal of money to bring the band up to its present position here let's go on and make it the finest band in South Florida.

Masons Will Give Degree Work

Everglades Lodge No. 211, F. and A. M., met in regular communication, Tuesday night, but the attendance was small, owing to many of the regular attendants having gone to the wilds for the opening of the hunting season.

The annual election of officers will take place at the first communication in December, and at that time Past Master Frank Anderson will deliver the Master lecture for several candidates who

have never had this important work.

There are a number of members who have never taken their examination for the Master's degree and plans are being made for F. ling such an event, to be followed by the presentation of the aprons. The lodge will present such regalia to all those who are eligible and qualify for same.

Among the number are several who contemplate demitting to the new lodge at Belle Glade, and this evening they are the parting favor given them by the mother lodge.

Members of the Grand Lodge of Florida will conduct a school of instruction at Gulf Stream Lodge at Lake Worth, December 15-16, with afternoon and evening sessions. All lodges of the 22nd district will participate in this

school of Masonic education and instruction.

The lodge voted to provide new curtains for the hall which will be made and placed by the Eastern Star chapter. Everglades Lodge members are to attend the opening of the new lodge at Belle Glade, next Tuesday night.

Library Board To Sponsor Sale Of Rummage

At the meeting of the Pahokee Library board, Monday night, at the home of Mrs. Robert Douthit, arrangements were made for the holding of a rummage sale on December 7th, as a benefit for the library.

Report was made that gifts of

some 50 books have been presented to the Library. The board went on record expressing appreciation of the gifts.

Plans are to have a visit from Mr. Gay, from the State PWA Library division, at which time endeavor will be made to clear up some confusion over the rules of that department in connection with the operation of the local library.

Following the business session, Mrs. Douthit, kindly permitted the group members to inspect her fine new home, and much admiration was expressed over its beauty and complete modern furnishings.

Be sure and attend the Band benefit game tonight. Admission 35c.
